Dear Andy,

Congratulations on your recent confirmation. I wanted to pass along an invitation from our Executive Director, Bill Herz, to speak at our upcoming National Lime Association annual meeting in Houston, Texas on Wednesday, June 13. We would greatly appreciate it if you are able to join us and share some thoughts with us regarding current issues at EPA. However, if you are unable to attend, we would also welcome any of your other politically-appointed colleagues from the agency who may be available to participate. Please note that while we currently have the keynote address scheduled for the morning of June 13, because it's a three-day meeting, we could also accommodate you or another EPA speaker on any of the three days (June 11, 12, or 13).

Regards,

Bradford Frisby, NLA
