Dr. Robert A. Kehoe,
University of Cincinnati
College of Medicine,
Eden Avenue,
Cincinnati, Ohio.

Dear Dr. Kehoe:-

In my letter of February 13 I asked that you have breakfast in Broad Street Station Restaurant, and wait there for me. I still wish you to do that.

However, you will arrive in Philadelphia at North Philadelphia Station. There they have shuttle train which will take you in to Broad Street Station, which is about a twelve minute run. Please take such a train into Broad street, and have your breakfast there and wait for me, and I shall meet you in ample time to go over to the other railroad and catch the 8.36 for Pottsville.

My adversary has agreed to have [REDACTED] on hand at Pottsville for examination by you on arrival of that train.

Yours very truly,

George H. Detweiler
