had the approval of the Monterey Planning Commission of their request to circulate a petition seeking the annexation of that district to the City of Monterey

The approval was voted at a special meeting of the commissioners last night and will go as a recommendation to the city council

The matter was brought before the council two weeks ago and referred to the commission under the normal procedure

Meantime, the commissioners last night also

1.—Set May 7 as time for a public hearing by them on an application from Frank Work to construct a second kitchen at his Fremont street home, which is located in the R-1-H zone (single unit dwellings, historical)

2.—Set May 7 for a public hearing on the application of B W White and others for the re-zoning of Franklin street property, between Van Buren and Pacific streets, from R-1-A to C-1-A to allow commercial use

Man with Missing Finger Mystifies CHP, Deputies

The Highway Patrol and the sheriff's substation were mulling a minor mystery today—concerning a Salinas man who lost a finger in a car accident

The Carmel Hill tollgate called deputies at midnight to say a man was there who had been in an accident. When the sheriff's car arrived, the man was gone

At 12:30 a. m. a second sheriff's car found Howard Bishop of Salinas walking east on Fremont street. Bishop said he had lost a finger when his car went over an embankment in Palo Colorado canyon, south of Carmel Highlands. Bishop requested transportation to the Park Lane hospital in Salinas and was taken there

The Highway Patrol has no information on the canyon accident

County Building Code Committee to Meet

Members of Monterey County's building code committee engaged in drawing up an ordinance regulating construction activities will meet at 7 p. m. Monday in the supervisors' chambers at the county courthouse in Salinas.

City building inspectors and county engineers are expected to discuss the proposed ordinance with committee members, and farm groups are expected to continue their policy of requesting exemptions for agricultural construction.
