Dear Mr. Kelly:

I hope you are doing well. I enjoyed visiting with you over the last several weeks on issues related to Superfund reform.

My firm is pleased to be hosting a Faegre Baker Daniels Insights Luncheon on Superfund reform policy September 21<sup>st</sup> at the City Club here in Washington, D.C. from 12:00 noon — 1:30 p.m. Given your expertise and role as Chairman of the Superfund Task Force, we would be honored if you would consider joining us as a speaker. We strongly believe that you would add great value and perspective to this event. In the past, we have held these Insights luncheons with members of Congress, most recently with Senator Cassidy (closed to press), and commissioners from both the FCC and FTC.

We typically invite a small number of press, however, if you prefer, we can make it a closed event. We believe with press in the room it will provide you with an opportunity to promote the Superfund Task Force's recommendations for streamlining the Superfund program.

We anticipate approximately 25-35 attendees consisting of clients, members of our firm and invitees from across the industry in Washington, D.C. I would be happy to share the attendee list with you prior to the event. Please let me know if you have questions.

Thank you for your consideration.

Best regards,

Darrin R. Munoz
