Subject: Autos2050® Award Nominations Now Open

Award Nominations Now Open

Autos2050® | April 2, 2019 | Washington, DC

Dear Mandy,

Award Nominations are now open for the next Autos2050® Driving Innovation Awards Dinner!

Autos2050® is the industry's premier tech and policy event created by 12 automakers who are transforming mobility. The event not only brings together the auto industry's Breakthrough Technologies, New Models of Mobility and Evolving Public Policy; it recognizes individuals or companies that have made game-changing contributions to the automotive industry over the past year.

Nominations for recognition of the best and brightest in the areas of Impact, Ingenuity, and Leadership can be made here: www.autos2050.com/awards. Winners will be honored April 2, 2019, at the Andrew Mellon Auditorium in Washington, DC.

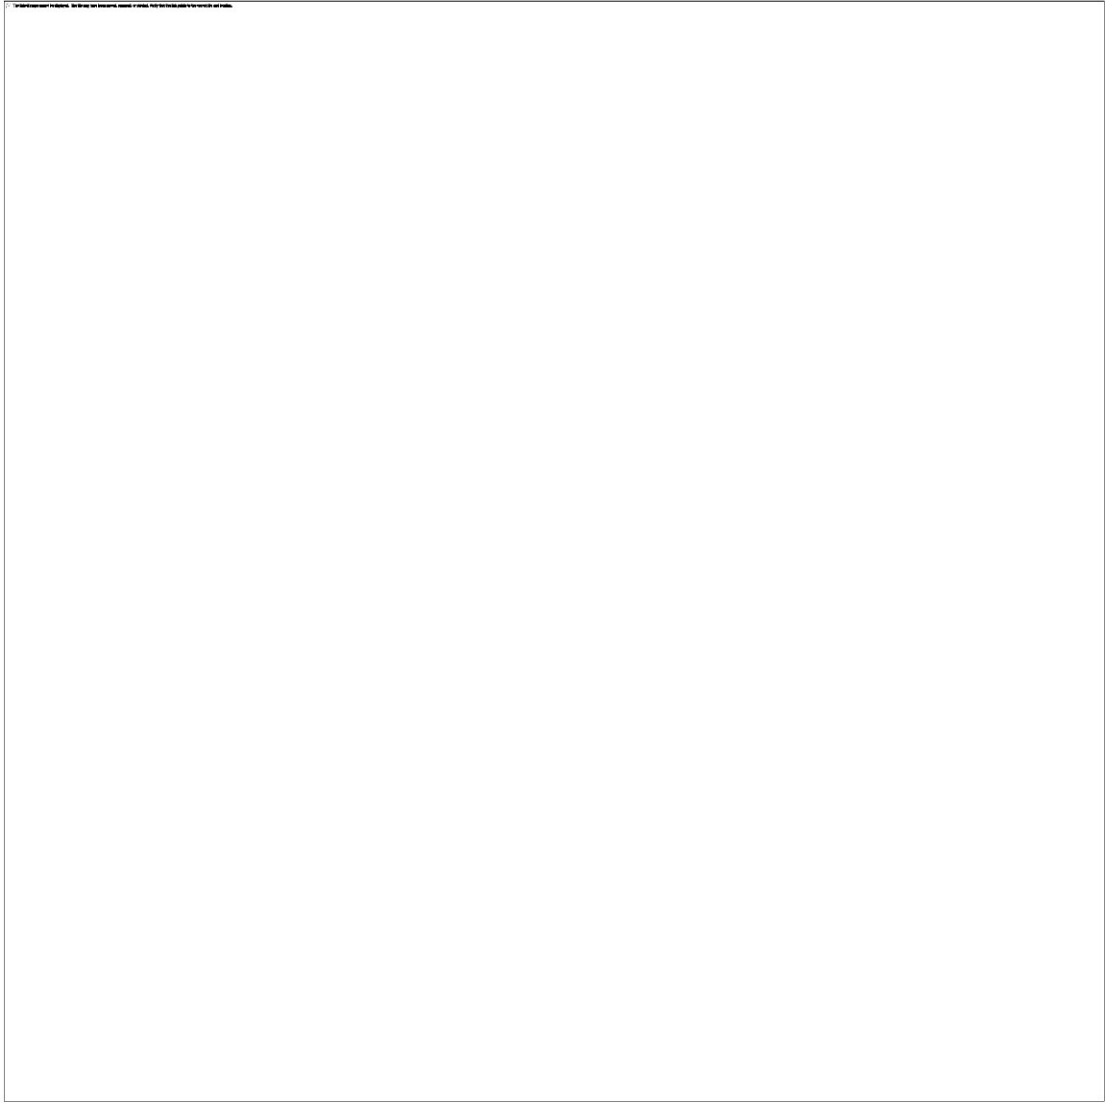

The Autos2050® half-day conference provides a look at the innovations propelling the industry and challenging policy makers. At the last Autos2050®, attendees learned from trailblazers at tech leaders General Motors, Audi Mobility U.S., What3Words and Harman International. Learn more here:

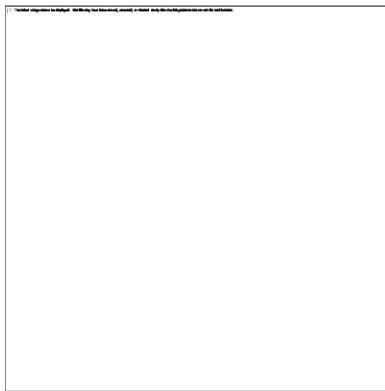

Go to www.autos2050.com to learn more about nominations and more about registering to join leaders from across the automotive ecosystem.

For sponsorship package information – including customizable sponsorship options
– contact Judy Mulcahy.

We'll see you April 2, 2019.

Want to put your business front and center at the Autos2050®
Conference?
