Copy to Dr. S. G. Austin

Date December 2, 1982
Originating Dept. HS & EA
Area Epidemiology
Subject

Dear Mr. Cornell:

Dr. Austin has discussed with you last week about the problems of the vinyl chloride study data. Enclosed are the employee data forms with "department" field blank. I understand that you'll provide us with this information.

If there is any question about the enclosed forms, please let Dr. Austin know.

Sincerely,

Susie Lee
