

The description, testing procedures, and specifications contained in this service publication were current at the time of printing.

Eaton Corporation reserves the right to discontinue or modify its models and/or procedures and to change specifications at any time without notice and without incurring obligation.

The recommendations of the vehicle manufacturer should be considered as the primary source of service information regarding this Eaton product. This manual is intended to be used as a supplement to such information.

Any reference to brand names in this publication is made simply as an example of the types of tools and materials recommended for use and, as such, should not be considered as an endorsement. Equivalents if available may be used.

IMPORTANT NOTICE

The symbol shown below is used throughout this publication to call your attention to areas in which carelessness or failure to follow specific procedures may result in personal injury and/or component malfunction or damage.

WARNINGS: Used in areas where failure to follow listed procedures creates a **high probability of personal injury** to the servicing technician.

CAUTIONS: Used in areas where failure to follow listed procedures **may cause personal injury due to component damage or subsequent malfunction.**

Anyone departing from the instructions contained in this publication through procedures used or choice of tools, materials, and parts may jeopardize his personal safety and/or the safety of the vehicle user.

SPECIAL NOTICE ON FASTENER TORQUE

THIS SYMBOL IS USED THROUGHOUT THIS MANUAL TO CALL YOUR ATTENTION TO FASTENERS REQUIRING A SPECIAL INSTALLATION TORQUE.

Always use genuine Eaton replacement parts.
