Date July 19, 1983
Subject RESPIRATOR/BEARD POLICY

In response to your question concerning Item B2 of the subject policy, this does not apply to emergency situations. It applies to planned entries. In an emergency or rescue situations, all necessary steps should be taken to alleviate the circumstances. The key factor would be that employees with beards are aware of the limitations of this type use.

A handwritten signature in dark ink, appearing to read "Tom Grumbles", is written over a horizontal line.
