EPA Administrator Pruitt Speaker Request Form.docx

Sydney,

Thank you for this. Attached is the completed form.

Also copied on this email is Haley Armstrong, with the ICAC. She can help if there are any follow-up questions.

As you will see from the attached form, we would ideally like to have the ICAC folks meet with several officials in one location – if that can be arranged. We are working with Mary Neumayr over at CEQ on this as well.

Regards,

Hessler
