Subject: Orgalim recommendations on the circular economy of Europe for the upcoming EU legislative period
Attachments: Orgalim Key Recommendations on the Circular Economy_May 2024.pdf

Dear Aurel,

Once more, thanks a lot to you and your colleagues for attending Orgalim Green Transition Working Group meeting on 11 April.

As promised during our meeting, we are pleased to share with you the attached final [Orgalim recommendations on the circular economy](#) of Europe for the upcoming EU legislative period 2024-2029.

We would be very happy to meet you and your colleagues again to discuss our recommendations in more details.

We thank you for considering our views and new meeting request and remain available if you require additional information.

[Orgalim](#) represents Europe's technology industries, comprised of 770,000 innovative companies spanning the mechanical engineering, electrical engineering, electronics, ICT and metal technology branches. Together they represent the EU's largest manufacturing sector, generating annual turnover of over €2,819 billion, manufacturing one-third of all European exports and providing 11.9 million direct jobs. Our industries are global leaders in the carbon-neutral energy, electrification, alternative fuels and clean manufacturing technologies needed to achieve net-zero, and we are committed to playing our part to deliver the net-zero transformation and the green transition.

Kind regards,

[REDACTED]
