GM purchased chrysotile for Extruded Clutch Bands from:

Asbestos Corp. Ltd.

Johns-Manville

Since 1964, Raymark and the Spring-Brummer Division of Borg-Warner Corporation supplied clutch plates and bands for automatic transmissions. Since 1964, the Spring-Brummer Division of Borg-Warner Corporation and D.A.B. Industries have supplied bands. Suppliers of clutch plates are Sheepbridge, RaybestosManhattan, Raymark, S.K. Wellman, Thermoset, Borg Warner, and Delco Moraine. GM cannot provide more details about dates possible without a search that would take an estimated 100 man-hours.

GM purchased Clutch Plates for Manual Transmissions from:
