

1 I object to the post-1958 ones, and I also object to
2 the Hemeon report.

3 THE COURT: Overruled.

4 (Whereupon, Plaintiffs' Exhibit Numbers
5 IHF-20, 21, 24, 25, 27, 28, 33, 34, 37, 41, 45, 46,
6 48, 49, 50, 51, 72, 87, 98, 99, 100, 107, 108, 117 and
7 186 were received into evidence.)

8 MR. SMITH: This is a retyped page from the
9 June 1947 Hemeon report called, The Report of
10 Preliminary Dust Investigation, for the Asbestos
11 Textile Institute by Mr. Hemeon, Head Engineer of the
12 Industrial Hygiene Foundation. It is our Exhibit IHF
13 Number 117.

14 MR. IGNATOWSKI: This is a retyped version
15 and you will have the original version along with the
16 retyped.

17 Preliminary Dust Survey, for Asbestos
18 Textile Institute, June of 1947, referring to dust
19 hazard.

20 Having reached a degree of dust control
21 represented by the dust count limit of five million,
