

STYLISH PAJAMAS BEST FOR SLEEP

Has style anything to do with sleep comfort? "Most decidedly," say pajama experts. Many of the men who have tossed right after night in pajamas that were without style—pajamas that bunched up in unexpected places—that were too tight where they should have been loose—that had lumpy frogs—said then here is that button question.

But cheer up, Serious Sleepers! Crown "Middy" Pajamas have been invented—perfected. Fashioned like a sailor's upper, there are no buttons to bother you. Cut to fit loose—roomy—they do not bunch. They have no lumpy frogs, no sleep-killing discomforts.

And style! Crown "Middys" are admired. They are made in a variety of colorful patterns and handsome materials. They are as good to look at as they are comfortable to wear.

One warning. Ask for Crown "Middys" by name and look for the label below. It is the mark of the genuine, original Crown "Middy" Pajama, made by the makers of the famous Crown Army Shirt, Greenbaum, Weil & Michels, San Francisco.
