

1 A What was the name of the bottom of that
2 page?

3 Q I am sorry, I will be happy to show it to
4 you.

5 This is Plaintiff's Exhibit Ford Number 78
6 dated August of 1973.

7 Do you recognize that document?

8 A Yes.

9 Q And am I correct that it says overexposure
10 to asbestos fiber in the air can occur during
11 inspection and repair operations on brakes, brake
12 drums, clutches and associated components of these
13 units when compressed air is used to blow out
14 asbestos-laden dust?

15 A Yes.

16 Q Now, I think you mentioned a few moments ago
17 it was roughly at this time that Ford started to
18 develop the HEPA vacuum system?

19 A The Rotunda.

20 Q Rotunda, right.

21 A We happened to use the HEPA vacuum.
