

INTER-OFFICE MEMO TENNECO CHEMICALS, INC.

TO Dr. F. L. Padgitt AT Houston, Texas DATE August 12, 1968 *Re*
FROM Mr. M. G. Caine AT Piscataway, N. J. COPY TO Mr. G. I. Rozand
SUBJECT Vinyl Chloride Monomer Mr. D. H. Weintraub

Our vinyl chloride monomer requirements for August have already been given to you, namely 14,800,000 pounds. Projections for September indicate 15,900,000 pounds and October, 16,000,000 pounds.

As usual, we will continue to maintain close liaison in the event of any problem that would affect either our requirements or your ability to make the necessary shipments.
