HEATING-COOLING
EXPOSITION

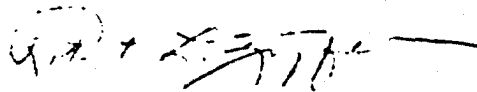

To Members of the Lead Industries Association:

An exhibit is being sponsored by us at the 1962 National Plumbing-Heating-Cooling Exposition to be held in Kiel Auditorium, St. Louis, Missouri, June 10-13, 1962. This show is in conjunction with the 80th Annual Convention of the National Association of Plumbing Contractors.

Enclosed is an invitation-registration card which will permit you to attend the Exposition without charge. This year's exposition will be closed to the public and there will be a heavy concentration on business. Extra invitations are available and will be sent to you upon request.

We would very much like to see as many of our members as possible at this exposition. We will be exhibiting in Booth 822.

Sincerely yours,
