CIVIL ACTION - CERTIFICATION OF COUNSEL
DATED JUNE 6, 1986

WILLIAM B. MCGUIRE does certify as follows:

1. I am an attorney-at-law of the State of New Jersey, and a member of the firm of Tompkins, McGuire & Wachenfeld, attorneys for thirteen defendants in the above-entitled matter. I make this Certification in support

of an application for complex case management assignment of this matter. I am joined in this application by counsel for all of the defendants who have thus far appeared of record in this matter.

2. This matter involves a single plaintiff. Thirty-nine defendants have been named in the Second Amended Complaint. Although there is some duplication of defendants as is evident on the face of the pleading, there are nevertheless at least 27 individual corporate defendants as of the Second Amended Complaint.

3. This death action allegedly arises from plaintiff's decedent's exposure in the course of his employment to products manufactured by the various defendants. Extensive discovery, including voluminous record production, will be involved in the preparation of this matter for trial. Complex legal issues will be required to be addressed.

4. It is respectfully suggested and requested that assignment of this matter to a judge for case management would be appropriate and beneficial to all parties. It is this assignment for case management which we seek to accomplish by this application.

5. I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

William B. McGuire
