Hi Samantha,

Good seeing you at EEI last week.

I work with National Grid (serves NY and New England).

I thought you may be interested in the natural gas pipeline authorized by the New York City Natural Gas Supply Enhancement Act (Public Law 112-197),
<https://www.congress.gov/112/plaws/publ197/PLAW-112publ197.pdf>.

Here are National Grid's and The Williams Companies' recaps on the project,
<http://us.nationalgridconnecting.com/pipeline-path-to-preservation/> and

Have a good weekend.
