Stacy,

I heard a message from Patsy on this and support the outcome. If you need any time/coverage from me on briefing John H, just let me know as I'm in the office today and Monday.

Patsy, thanks for the prompt update. Ed

Stacy;

Attached are slides to use in briefing John for the Monday telecon of the API executive board. My understanding is that the SHS will be on the agenda. The sponsors oversight committee thought that it would be useful for company execs to have this info prior to the call.

I will be on the road for the next few hours, but will have my cell phone on (I'm not driving), 832-419-3931, if you want to call for clarification.

I will try to log on again when I reach my destination - it has been a challenging IT week.

Thanks for your continued support.
