Dear Sir:

It has come to the Department's attention that a new trade organization for producers and consumers of pig lead and its products, to be known as The Lead Industries Association, is to begin functioning this fall. It is understood that you will be secretary of the new Association.

The Department is interested in this matter and would be pleased to receive from you a statement of the origin and purpose of the new organization, a copy of its charter and by-laws and of the forms, if any, to be used by members to report to the Association trade statistics or other information.

Your cooperation with the Department in this matter will be appreciated.

Very truly yours,

WILLIAM J. DONOVAN,

The Assistant to the Attorney General.
