Sherwin-Williams

DOWNTOWN

gets you ready for a paint-up, clean-up weekend

Loxon exterior masonry paint

light colors, 6.69
gallon

If your home is made of masonry, use the paint designed for it... Sherwin-Williams Loxon. You'll be sure of getting longer lasting beauty, which won't blister, flake or rub off. Alkali and lime will not harm it. It's mildew-resistant. In dark colors, 7.39

SWP House paint, looks better longer

pt. 7.35

SWP House paint is economical because it lasts longer. White stays white... colors stay bright. Gives uniform coverage and lasting protection. Good news too for the "do-it-yourself" painter. SWP is now 1/2 easier and faster, in light colors.

Sherwin-Williams Spray enamel

was 1.73, now priced 1.19

Save 60c on this 16 ounce can of spray enamel—that's fast and easy-to-use-for spraying either wood or metal objects. 14 colors keep their glowing beauty.

Super KemTone deluxe latex wall paint

pt. 6.39

It's washable... it's wonderful. A fine paint for walls and ceilings. One coat covers most surfaces. Easy to apply and dries in 30 minutes. Extremely durable. Available in light colors.

Kem-Glo... a miracle alkylid enamel

pt. 2.85

It looks and washes like baked enamel and no undercoat is needed. Goes on silky-smooth and you have a choice of lustre or velvet finish, many colors.
