Re: **Notice of Warning Letter**
EPA Docket No. FIFRA-06-2026-0363

Dear Ms. Branch:

Region 6 of the United States Environmental Protection Agency (EPA) is issuing this Notice of Warning to Fairway Brothers Distribution, LLC ("Fairway Brothers Distribution") pursuant to Section 9(c)(3) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136g(c)(3). This action concerns the pesticide "Clean Fight Disinfectant" (EPA Reg. No. 96865-1-99348).

On October 30, 2024, EPA conducted a for-cause FIFRA inspection at Fairway Brothers Distribution based on suspected distribution or sale of unregistered or misbranded pesticides derived from "D.O.D. [Disinfectant on Demand]" (EPA Reg. No. 96865-1), including the sub-registered Clean Fight Disinfectant product. As a result of the inspection, as well as a review of a website operated by or on behalf of Fairway Brothers Distribution (URL: <https://cleanfight.com>), it was concluded that Fairway Brothers Distribution distributed or sold a misbranded pesticide in violation of Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), and produced that pesticide in an establishment not registered with the EPA in violation of Section 12(a)(2)(L) of FIFRA, 7 U.S.C. § 136j(a)(2)(L).

Based on EPA's investigation, including the review of Fairway Brothers Distribution's compliance history, the EPA has concluded that a Notice of Warning is the appropriate enforcement response. Please be aware that future violations may subject Fairway Brothers Distribution to enforcement under Section 14 of FIFRA, 7 U.S.C. § 136l, which provides for civil penalties up to \$24,885 (adjusted for inflation) per violation, criminal fines, and/or imprisonment.

If you have any questions about this Notice, please contact Mr. Justin Mullenix at (214) 665-7173, or by e-mail at mullenix.justin@epa.gov or Ashley McDonald at (214)665-6589 at mcdonald.ashley@epa.gov.
