Dear Sir,

A new edition of the "Großer Brockhaus" encyclopedia is in preparation and I should be very grateful if I might have your assistance in providing the main biographical data about yourself. I am sure that you will agree with our aim to satisfy the reader by making the new edition as objective, accurate, comprehensive and up-to-date as possible.

Would you therefore be so good as to complete the enclosed questionnaire and return it to me as soon as possible, at the latest by October, 1st.

I guarantee that the information will be used only for the encyclopedia and will be treated in absolute confidence. You will, of course, understand that the length of the article must remain the decision of the editorial in order to conform to the overall plan.

I take the liberty of thanking you in advance for your trouble.
