Might you be able to do 9:30AM? If not, we can certainly hop on the phone at a more mutually convenient time.

Thanks so much for your patience, Matthew.

Matthew -- I am so sorry but it looks like we need to cancel our 11AM. Our team had to fill in at his testimony this morning and we are unsure when we will be back.

Matthew -- surprisingly, we actually do not not have access to wifi in the building. I am so sorry but there is a cafe in the bottom of our building that has wifi and of course the Reagan building has it as well.

We would be happy to guide you to the cafe.

**M: Do you think it would be possible to jump on a call at noon tomor from a corner of your office? Preferably with WIFI so I can use my computer to follow a presentation. If not I assume that the RR Center has wifi and I can find someplace in their lobby as well.
