Dear Mr. Brown:

I am very sorry to note on page 100 of the November 4th issue of "Time" magazine the notice of the death of Dr. Leroy U. Gardner. This, of course, brings up the questions of the report on asbestosis.

I am, therefore, writing to ask whether to your knowledge there is anyone else at the Saranac Laboratory who will be able to carry on and complete the investigation covering asbestos dust for our industry.

Possibly you will be so kind as to investigate this and advise me of the result.

With kind personal regards, I remain

Yours sincerely,

Handwritten signature of President

President
