Hey Harris,

I know this week is probably jam-packed, but if you to have some time Thursday afternoon or anytime Friday, I'd love to grab a coffee. Let me know!

Your're all good Jack, I have a conflict at that time as well now. Next week will be better for me.

Hey Harris –

I now have a conflict at 12:45. Can we punt to either Friday or early next week? Sorry for the change.

Thanks,
Jack

12:45 works. I don't know if I'll be able to meet you by the Senate floor without an staff escort since I don't have congressional staff badge.

Could we meet closer to 12:45? Also, would you mind meeting me in the Capital possibly near the senate floor?

Hey there Jack! Great to hear from you, I have a number of things in the morning on Wednesday, but I should have some time around lunch if that would work for you?

Hey Harris,

I work for Secretary Duffy in his Governmental Affairs office—just wanted to see if you might be around for a quick coffee this week. Thinking maybe Wednesday, if that works on your end. Would be great to connect.
