Dear Bert:

I am writing, rather than calling, so we can have a paper trail of PPG's response to your letter to me of April 20, 2000, about its company course of business (CCB) documents.

The PPG CCB documents you identified in our telephone conference prior to your April 20 letter are all SL documents which were produced in the original *Steve LeBlanc* and *Flick* productions. We used the privilege log in this matter to assert privilege over them but Case Master Johnson denied PPG's claim of privilege. Again, you have the documents in your files from PPG's productions made in the *Steve LeBlanc* and *Flick* cases. If you have any questions, please give me a call.

Yours truly,

EMMETT C. SOLE
