Shawn,

It was a pleasure to meet you as well. Thank you so much for the invitation. I am copying Sydney Hupp (my sister and the Administrator's scheduler) on this email. She will have a form for you to complete and will be able to let you know if the 28th is available.

Please don't hesitate to reach out if I can further assist.

Warm regards,

Millan

Subject: Administrator Pruitt Shale Insight Invitation

Millan,

It was nice meeting you the other day at the Capitol Hill Club with Pete and Harold. As I mentioned, the Ohio Oil and Gas Association, the Marcellus Shale Coalition and the West Virginia Oil and Natural Gas Association are hosting the SHALE INSIGHT™ Conference, which will take place in the heart of the Marcellus and Utica shale gas plays on September 27 and 28, 2017 at the David L. Lawrence Convention Center in Pittsburgh, Pennsylvania. The event typically attracts over 1,000 attendees from across the region.

We would be honored if Administrator Pruitt would be able to join us as a general session keynote speaker on the morning of September 28, 2017. I have a formal invitation attached and I hope to discuss this event in more detail with you.
