

SPRING BOOSTERS WHEEL CHOCK AXLE SHIMS SPRING SPACERS

COIL SPRING BOOSTERS

For cars, trucks, trailers, mobile homes

- CORRECT ALIGNMENT!
- REDUCE TIRE WEAR!
- IMPROVE FAULTY SPRING TENSION!

A. ADJUSTABLE TYPE

Front coil spring booster is 100% adjustable from the smallest spring opening to the largest; spreads coils from 3/4 in. to 1 1/2 in. 2 boosters per set.

4-297 set Price \$3.18

B. DRIVE IN TYPE

Aluminum block spacer made to conform to the curvature of the spring. Can be installed to affect three different heights by changing the angle. Use 2 per spring.

4-298 Price 40¢
4-298D Display Pkg. Price 40¢

C. SPRING LOAD LIFTER

Die Cast Aluminum

Use as load lifters on cars with rear coil springs. Permits loads of 300-400 extra pounds or pulling trailers without causing rear end sag. Quickly installed between coils of spring with 1/2 in. drive wrench.

4-3551 Price 68¢
4-3551D Display Pkg. Price 68¢

D. SPRING LIFT

Die Cast Aluminum

Restores weak coil springs. Eliminates front end dip and aids wheel alignment. Quickly installed between coils of springs with aid of 1/2 in. drive wrench.

4-3550 Price 42¢
4-3550D Display Pkg. Price 42¢

COIL SPRING STABILIZERS

Coil spring stabilizers correct sagging springs up to 1 1/2 inches. Finest quality molded rubber and nylon reinforced for long lasting strength.

- E. 4-3552 Heavy Duty Installation Tool Price \$8.50
F. 4-3553 Standard Installation Tool Price \$3.00
G. 4-3554 Front Spring Stabilizer Price 68¢
H. 4-3555 Rear Spring Stabilizer Price \$1.44

I. WHEEL CHOCK

Truck and Trailer

Lightweight, non-sparking, rust-proof construction. Finished in fluorescent enamel for high visibility. V tread design gives better gripping surface. Equipped with 5 ft. chain and snap swivel for attachment to truck or trailer. Can be used on passenger cars also.

4-320 Price \$16.50

J. ALIGNMENT GAUGES

Handy adjustable bar type gauge with calibrated scale. Reads "toe-in" or "toe-out" in 1/16 in. calibrations.

Passenger cars and light trucks
48 in. to 65 in. 14-273
Large Trucks 59 in. to 76 in. 14-274
14-273 Price \$13.25
14-274 Price \$17.05

COIL SPRING SPACERS

For Front & Rear Coils

K. COMBINATION TYPE

5/16 in. - 3/8 in. Thicknesses

Fits top or bottom of coil springs with flat ends. Breaks out with tap of hammer.

4-276 Price \$1.85
4-277 Price \$1.75

L. COMPENSATOR OR CLOSED FLANGE TYPE

3/8", 1/2", 5/8", 3/4", 1", 1 1/4" Thicknesses

Fits the flat end of coil springs, either top or bottom.
