**FOR YOU**

Imagine! Now you can buy a paint that  
at least 2 years longer than the best.  
And at no extra cost!

That's revolutionary new Fuller (Low)  
Paint specially developed to stand up  
rougher weather.

Test after test proves its advantages.  
Only about 4 months, Fuller "Plus-2"  
paint! Where other paints are really  
Fuller "Plus-2" paint remains so  
little as 4 hours. And rain can't harm it.

Low work to apply. Spread it and see  
Paint dries on faster and easier than

If you're going to paint ... get 1 extra  
Paint now! 15 years colors to choose

If you are having your home painted  
Contractor about the new Fuller (Low)  
It offers all these advantages, too.

Durable new paint for smooth homes  
Fuller Exterior Low Maintenance Paint  
gives your home that "fresh-painted" look  
for years ... gives the really ... dries in 4  
hour ... cleans up by water ... Try it!
