Homemaker's Garden Is Charming

Proof of What One Woman Can Do

On No More Than Lot in San Diego

By ADA PERRY
Even spaces deck up her garden. Between plants and in spare space, a lady has built a little out of the garden. It is a small garden, but it is a charming one.

"I've got my garden in a small space," said a very charming San Diego matron. "I am a homemaker first."

"That replied the man's garden is a small space," said the man. "I am a homemaker first."
