Mr. Johnny Sanders
Hearing & Testing Inc.
9034 Westheimer #102
Houston, TX 77063

Dear Johnny:

This letter is to confirm your agreement to teach Physiology of the Ear and Hearing Testing on March 5, as a part of the Principles of Industrial Hygiene Review Course sponsored by the UTSPH ERC and Gulf Coast Section AIHA.

Please try to have available hand-outs for the material presented. A 35mm slide projector and standard overhead projector will be available in the classroom.

I will be in contact with you prior to your session. Please call if you have questions at this time.

Sincerely,

Thomas G. Grumbles, Chairman
Continuing Education Committee
