DEPARTMENT OF HEALTH,
CANBERRA, A.C.T.

25th October, 1961

Dr. D.D. Letham,
Occupational Health Section,
Department of Public Health,
57 Murray Street,
PERTH.

Dear Dr. Letham,

Thank you for your letter of 20th September re Asbestosis at Wittenoon Gorge, which was waiting for me on my return from overseas.

I had hoped to see you during my subsequent visit to Perth, to cover the points you mentioned, but this did not happen, as I was rather 'on the treadmill'.

I will certainly reinforce your opinion with Dr. Rennie and I think this will be best done personally as I am bound to see him during one of my visits to Sydney.

The other remedies are of course in your own hands, and I am sure if not already covered by legislation, could be for this most hazardous occupation.

I am,

Yours sincerely,

(ALAN KING)
Director of Tuberculosis
