There will be a SAC meeting Wednesday, February 24, at 1:15 pm to approximately 2:45 pm, in Conference Room 7 in the Office Annex.

Subject of the meeting will be "AVIP of Contaminated Tanks."

C. F. Navarrete

/ob

Purpose: To Consider a policy for allowing a qualified Contractor to perform tank work inside tanks in a controlled nitrogen atmosphere (IDLH conditions)

Answer by SAC:
- They did not say, "No."
- They did say, "Let's see your DECISION ANALYSIS"
- They also discussed some alternatives they knew were used at other locations.
- They asked about Legal Comments on Liability (SAG will check)
