Paint....

be sure of LASTING BEAUTY

NO PAINT LASTS forever. But fine paint does last so much longer than cheap paint that the only way to economize in painting is—use fine paint. The labor cost of painting with Fuller Pure Prepared, the White Lead Paint, is no more than the labor cost of using cheap paint. The higher cost, per gallon, of Fuller's is more than offset by longer life, greater protection and clear, true colors which last. There is no satisfactory substitute for White Lead in paint. Fuller Pure Prepared is skillfully made of the right proportions of Pure White Lead (for body and elasticity); pure Zinc Oxide (for spreading capacity and hardness); and the highest grade of linseed oil. Every cent that you pay for Fuller Pure Prepared is justified by the lasting beauty and protection it gives your home. . . . Consult a Master Painter and specify Fuller Pure Prepared Paint. Ask your nearest Fuller dealer, listed below, for a Pure Prepared color card. Write to W. P. Fuller & Co. for the booklet, "YOUR HOME AS OTHERS SEE IT".

SAN FRANCISCO STOCKS.
SAN FRANCISCO, April 11 (AP).
 Pronounced vitality was the keynote of trading on the San Francisco Stock Exchange today, all sections of the list sharing in the animation. Bank of California soared to a new high at 310 with a net gain of 10 points. Transamerica added %
