Dear Dr. Kehoe:

Your letter of September 23 was very carefully read as it contained much of what we will want to put into effect at the meeting. I immediately got in touch with Dr. Bronenberg and Major Brandt's office and found that although Dr. Bronenberg is just taking up new duties with the Caterpillar Tractor Company in Peoria, resigning his present position in Chicago on October 1, he does not feel that he can absent himself for our Committee meeting on October 3. However, Dr. Brandt's office believes that there is every probability that he will be in Chicago on that date although he will be out of town until Thursday of this week. I will write you again as soon as I hear from him.

Jack Bloomfield has written me that he will meet me either in the lobby of the Hotel Pennsylvania up to 1:30 P.M. Thursday October 5 and a portion at the Yale Lounge which is located to the right of the main lobby entrance of the Hotel Pennsylvania so that we can discuss the October 3 Board of Directors' meeting prior to leaving New York City for Washington on the 1:30 train that afternoon. I will hope to hear from you this week that you will be with us at that time.

Sincerely yours,

Warren A. Cook
