Dr. R. A. Kehoe.

Dear Dr. Kehoe:

We recently advised you that we had been able to obtain the services of Dr. Alfred von Frisch to act as our Medical Consultant in Austria, Hungary and Czechoslovakia. We gave you, at that time, the address of the Clinic to which Dr. von Frisch is attached. Mr. Revan advises, however, that Dr. von Frisch has requested that we address all correspondence etc., to his private address which is as follows:-

I. Helferstorferstrasse 4,
Vienna, Austria.

Very truly yours,

V:P
