Hi Amanda,

The goals of the Left are clear: advancing socialism and promoting ideas that will destroy our country and bankrupt our culture. The time to act is now!

That is why The Heritage Foundation has launched [the Citizen's Guide to Fight for America](#). Our 2020 guide provides Heritage-recommended action items delivered to you each week and crafted to equip you to make an impact in your community and in our country.

Sign up and join the Fight for America!

- Educate yourself and your family on the most pressing issues of our day using a library of Heritage resources and engage with substance within your circles of influence.
