DATE July 9, 1982 cc: PMSB

SUBJECT SAC Minutes - Meeting of July 8, 1982

REFERENCE

TO : J. A. Glass
D. E. Kaldenberg
S. G. Pappas

1. PO-133 - Company Furnished Personal and Safety Equipment

Additions and modifications reviewed and supported by SAC.

2. Guide to Accident Prevention - Revisions

Revisions to wording on footwear, contact lenses and ground fault circuit interrupter rules were reviewed.

LP&S is targeting to issue revised Guide by September 1. SAC will review the draft on a priority basis when available.

3. Safety Shower Policy

SHAC has proposed a shower policy and retrofit of existing showers. SAC recommends approval and implementation of this proposal.

Discussed under 4.

4. Flame Retardant Tarps

Reports of potential allergies resulting from the flame retardant treatment have been investigated and found to be without base.

Use of the flame retardant treated tarps has been initiated.

IH needs to check
Jim will get ball — by Aug 1 we will go. — Need identity
of dipped. Details to be worked out.
