

1 A Oh, no. No, not every room, no.

2 Q If you were in one room plastering and they
3 were in another room pipecovering, what would that air
4 look like?

5 A Well, you would have dust all in there.

6 Q Now, the last school we talked about, I
7 think you called it the Randallstown School.

8 Would that be the Randallstown High School?

9 A That is out at Randallstown, not far from
10 McDonogh School off there.

11 Q Not far from McDonogh?

12 A Not far from McDonogh.

13 Q I think you told us earlier that was about
14 1970; is that correct?

15 A About that, yes.

16 Q Now, while you were at that location, about
17 how long were you there?

18 A I was on there a few months, too, because
19 Sammy Hopkins came out there to work with us, Jean and
20 myself and then I think he had three laborers, three
21 or four laborers out there.
