Ken,

No deal. I wasn't sure whether you wanted to speak and certainly wanted to give you that chance if you did. We have some other options we're pursuing. We look forward to seeing you next week. Glad you can come.

Jeff: first, thanks for registering me...I'm happy to speak if it is of benefit to your program. I'm not sure I'm much of a substitute for the Administrator's spot, but let me know if I can help.

Looking forward to meeting you next week.

Kenneth,

Would you like to speak or just attend? Although registration has closed, we've kept a few spots in reserve. I'm copying my colleague, Mary Mendoza, who is managing the waiting list, and we will go ahead and have you registered for the conference. If you'd like to speak as well, we also do have the speaking slot we

reserved for the Administrator still open and we've been exploring options for filling it. Just let us know. If not, no worries, we will pursue those other options.

Jo El, please register Mr Wagner.

Jeff

Hello:

I was speaking with my colleagues, Erin Chancellor and Dave Ross, and we were discussing the conference. My conflict has cleared and I would very much like to register to attend and participate in the conference.

Please let me know if there are any registration openings.

Respectfully,
