My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, May 1st at 9:15 am. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Thanks much!

Hello Sydney,

My name is Darrin Munoz, I'm with Faegre Baker Daniels here in town and I represent the Pebble Mine in Alaska. The CEO Tom Collier will be in DC from Alaska next week and would appreciate the opportunity to meet with the Administrator if he is available, or his Chief of Staff Mr. Jackson. He will be here on Friday April 28th and Monday May 1st if either of those dates would work. Thank you for your attention at such short notice.

Any time 1430 or later on the 28th would work for me.

The 27th has more availability for me if that could work for the Administrator.

Thank you gentlemen. So as luck would have it the Administrator will happen to be in New York tomorrow. Would there be a convenient time to meet as early as tomorrow? I know this is last minute, but I wanted to ask. If that doesn't work, we will schedule another time definitely.

My cell is Personal Phone/Ex. 6

Ryan.

Dear Ryan,

Very glad to meet you with Administrator Pruitt today. With this email, introducing you to Steve Koonin, now at NYU, formerly Undersecretary of Energy in DOE and Provost of Caltech. He's an MIT Ph.D. in astrophysics. I've attached his article on climate science not being settled from the Wall Street Journal.

He's based in New York City but will be down for a meeting of the top physicists on April 28, and could come a day early. Or they could meet in New York City. I think the Administrator would find an 1 ½ to 2 hours very useful for deepening the texture on the climate change discussion. As I mentioned, Steve will have a new article coming up in the WSJ later this month.

Kind regards,

Dan
