Mr. T. G. Lipscomb, II
Esso Research and Engineering Co.
P.O. Box 4255
Baytown, Texas 77520

Dear Tom:

Pursuant to your request we are sending to your attention a no-charge sample of Alkylate 225 ("dodecylbenzene") described by the enclosed specification.

Look forward to seeing you in Washington.

Very truly yours,

P. G. Benignus
