Occupational Safety and
Health Administration
100 McAllister Street
San Francisco, California 94102

Dear Ms. Rodgers:

After your departure on Friday, November 2, I discovered the exposure test results run by our insurance company carrier were still on my desk. Two copies are enclosed.

Also, you had inquired as to the type of respirator that we use. It is Dustfoe 66 and I have enclosed a copy of the instructions.

Sincerely yours,

Douglas W. Merrill
Production Manager
