

INTERROGATORY NO. 9: State whether any of Defendants' present or former officers or directors ever served (whether before, during or after becoming Defendants' officer or director) as an officer or director of any other company, corporation or business which manufactured, sold or distributed asbestos or asbestos-containing products and, if so, please:

- (a) Identify each officer and director of Defendant, who served as such other company's officer or director; and
- (b) Identify each company, corporation or business for which each such officer or director served, each position held by such officer or director for such other company, corporation or business, and the time periods each position was held.

ANSWER TO INTERROGATORY NO. 9:

Pursuant to the Court's April 13, 2000 Order, Abex's answer to this interrogatory is limited to the years between 1930 and 1980.

Abex discontinued the manufacture and sale of asbestos-containing friction products in 1987 and no longer operates any friction product manufacturing facilities. There are no current Abex employees, officers who worked for Abex, or directors who sat on its Board during the period Abex manufactured and sold friction products with personal knowledge of the information contained in all the records and documents that might be responsive to this interrogatory.

Abex also objects to this interrogatory to the extent to which it purports to seek information or materials that have been gathered, received or prepared in the course of litigation, or which are otherwise subject to the attorney-client privilege, protected by the attorney work-product doctrine, the rule protecting materials prepared in anticipation of and/or in connection with litigation, or any other applicable privilege.

Subject to and without waiving these objections, and insofar as Abex understands this interrogatory, see Answer to Interrogatory Nos. 9 and 72.
