The authority voted at its last meeting to postpone action on purchase of the bridges until it sees a report on the spans, particularly the condition of the underwater concrete portions of the San Mateo Hayward bridge.

Companies now owning the bridges have offered to sell to the state for $8,250,000—$2,250,000 for Dumbarton and $6,000,000 for the San Mateo Hayward bridge.

The toll bridge authority meeting next Monday will start at 2 p.m.
