

**BHRC Oversight Committee
Conference Call Minutes
January 6, 2004**

Participants:

Don Burnett, BP
Stuart Cagen, Shell
Brian Doll, ExxonMobil
Lynn Russo, ExxonMobil
Mark Fitzsimmons, Steptoe & Johnson

Bruce Jarnot, API
Lorraine Twerdok, API

Anti-trust information provided by L. Twerdok

A quorum (3 of 5) of members was present.

Committee Chair Rotations:

Technical Committee – no action required. In August of 2003, OC approved Patrick Beatty to continue as Chair with Stuart Cagen to serve as Vice-Chair of Technical Committee and Chair of the Budget WG.

Communications Committee – Lynn Russo volunteered to continue on as Chair.

Oversight Committee – Don Burnett to rotate off as Chair. Patsy and Brian have volunteered to become new Chair and Co-Chair, respectively

Action: (*Lorraine*) Circulate email ballot to vote/confirm new Chair and Co-Chair.

Oversight Member Proxy – OC needs to develop (either formally or informally) a proxy system, so that business can still be conducted when members are not present. The OC needs to address proxy authorities as set out in contract.

Update on SHS Launch Ceremony was presented by Don. On Monday, 12/8/03, Don and Patrick had a lengthy and productive technical meeting with Drs. Irons, Wong and Schnatter. A laboratory tour was conducted on Tuesday (12/9/03) morning with the ceremonial dinner being held that evening. The laboratory tour was quite impressive, with technicians demonstrating/working during the tour. "Funding of the clinical laboratory was money well spent." The dinner was attended by approximately 250 people, including the president of Fudan University and the US Consulate General, Douglas Spellman. All 23 participating hospitals were also represented, as were all consortium members except ConocoPhillips. Don and Patrick were at the table of honor along with the principal investigators, president of Fudan, and US Consulate and others. The atmosphere was celebratory with lots of camaraderie and mingling. Guests of honor, including Don, gave short speeches. Don mentioned several key VIPs, which went over very well, as they later thanked him for mentioning them by name. The VIPs also met for ~30 minutes before the actual dinner, which proved to be a nice ice-breaker. There was a strong TV and print media presence. Overall, this long-awaited event was a huge success.

After call note: API (*Bruce*) will contact investigators (Irons) to arrange for Launch Ceremony payment.

Consortium Privileges for Marathon Ashland Petroleum (MAP):

Marathon's privileges were approved as summarized in the following table at the \$200K level. Don will communicate these to Marathon Ashland.

Action: (*Lorraine*) Draft email to inform MAP of privileges, with specific mention that this excludes Oversight and budget committees

Action: (*Don*) Communicate privileges both verbally and in writing via email.

Action: (*Lorraine*) Follow-up with MAP on invoice payment.

Approved Sponsorship Privileges for Less Than Full Share Sponsors		
Privileges	\$200,000	\$500,000
Oversight Committee	X	Observer
Technical Committee	Observer	Participant
Budget Committee	X	Observer

Identified as sponsor on publications, posters and meeting presentations	Second tier acknowledgement: "With additional funding by . . ."	Second tier acknowledgement: "With additional funding by . . ."
Annual Meeting	Observer	Observer

X = no role √ = Access to information

ERP Chair and Membership:

Dr. Heikkila-Idaanpan has provided a list of membership candidates for consideration. A similar list will be solicited from Dr. Brody.

Action: (*Technical Committee*) Provide the OC with a ranked list of recommendations for new member(s) and Chair.

Update on Contract Issues:

The contract amendment for the UCHSC grant has been completed and signed by both parties. All issues, including interest on funds held at UCHSC coming back to the consortium (going forward), were addressed in the amendment.

Action: (*Bruce*) Continue to negotiate with UCHSC to obtain the interest on the \$1.5+MM held by UCHSC during 2003.

Budget:

Stuart has reviewed research budget projections for 2004, and MADE A PRELIMINARY DETERMINATION that sponsor invoicing will not be required during 2004. FINAL DECISION IN Q2. Stuart and the Budget Committee will continue to work with the principal investigators to refine budget projections.

Action: (*Patsy and Brian*) Arrange for payment of 2nd half of 2003 invoice.

Consortium Agreement Amendment:

Patsy will collect OC comments on items to include in amendment. These will be finalized and sent to John Wagner in early February, at which time John will reconvene the legal committee to write the amendment. The OC will approve the amendment language before it is sent for signature.

Action: (*Oversight Committee*) Provide comments on issues for the amendment to address to Patsy by January 30, 2004.

Action: (*John Wagner*) Reconvene ad hoc legal committee in early February to draft amendment.

2004 Annual Meeting

Oversight Committee meeting in San Francisco scheduled for Monday, August 16.
Group will travel to Monterey on Tuesday, August 17.

Cost for 2003 reception and dinner (for 51 people) was \$1276.90

Annual Meeting Schedule:

Tuesday August 17 – travel day and evening welcome reception (and dinner?)

Wednesday, August 18 – Plenary sessions and evening BBQ

Thursday, August 19 – SRP/ERP meetings with and without principal investigators.

Action: (Matt) Contact Madeleine to inquire:

1. Is room (Seascape?) available for group reception/dinner on Tuesday, August 17?
2. Are we locked into BBQ on Wednesday evening if OC decides on only one reception/dinner on Tuesday evening?
3. Can we arrange a hospitality room, with refreshments (sodas, cookies, fruit) in either the back of the Chapel or one of the other meeting rooms we have reserved?

API organization that supports BHRC:

Program is under Ed Murphy, Downstream, API Leadership Team representative for program

- Action: Ed needs to be briefed on study. BHRC will like to meet and be involved in briefing.

Red Cavaney will be signing revised consortium contract.

Special Solicitation Committee has responsibility for BHRC.

- Action: Lorraine: Find out who/function in API that the Special Solicitation Committee reports to

NEXT CALL: TBD for early March
Lorraine will check OC availability when send out minutes.

Notes

The American Cancer Society is the nationwide community- based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service. The American Cancer Society's international mission concentrates on capacity building in developing cancer societies and on collaboration with other cancer- related organizations throughout the world in carrying out the strategic directions of the American Cancer Society.

The Leukemia & Lymphoma Society is the world's largest voluntary health organization dedicated to funding blood cancer research, education and patient services. The Society's mission is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and to improve the quality of life of patients and their families. Since its founding in 1949, the Society has provided more than \$358 million for research specifically targeting blood cancers.
