

1 A Volkswagen, Porsche, Vauxhall.

2 Q Can you remember any of the other names of
3 new automobiles sold by Foreign Motors during the
4 years you were there?

5 A All of them are new.

6 Q I understand that. I am talking just about
7 new cars right now.

8 Were there any other manufacturers other
9 than the English manufacturers and the German
10 manufacturers that you told me about?

11 A Datsun and Subaru.

12 Q Would that pretty much be it?

13 A Yes.

14 Q Now, to the extent that you had worked on
15 cars that had originally been sold by Foreign Motors,
16 you had a parts department; isn't that right?

17 A Yes.

18 Q Do you know where the parts for those lines
19 that you carried were obtained?

20 MR. SMITH: Objection.

21 THE COURT: Overruled.
