SUBJ: Opportunity to Show Cause
Resource Conservation Recovery Act (RCRA) Compliance Evaluation Inspection (CEI),
Polynt Composites USA, Inc., EPA ID: GAD084823301

Dear Diane J. Loria:

On November 9, 2022, the U.S. Environmental Protection Agency, along with the Georgia Environmental Protection Division (GAEPD), conducted a RCRA CEI at Polynt Composites USA, Inc. located in Forest Park, Georgia to determine the facility's compliance status with RCRA and applicable regulations. This RCRA CEI was an EPA-lead inspection.

The EPA has determined that the facility may not be in compliance with several requirements of the Georgia Hazardous Waste Management Act (GHWMA), Ga. Code Ann. § 12-8-60 et seq. [Subtitle C of RCRA, 42 U.S.C. §§ 6921 to 6939(g)], and the regulations promulgated pursuant thereto, found at Ga. Comp. R. and Regs. 391-3-11.01 to 391-3-11.18 [Title 40 of the Code of Federal Regulations (C.F.R.) Parts 260 through 279] based on potential violations observed during the CEI. The observations made during the inspection are summarized in the attached RCRA CEI Report.

Please provide a detailed written response within fourteen (14) days following receipt of this letter describing any actions that Polynt Composites USA Inc. has taken and/or intends to take related to the observations and potential violations documented in the RCRA CEI Report. Your response should be emailed to:

Enforcement and Compliance Assurance Division

Information currently available to the EPA suggests that Polynt Composites USA, Inc. may be in violation of, or have committed violations of, RCRA. By this letter, the EPA is extending to you an

opportunity to advise the Agency, via a conference call, of any further information the EPA should consider with respect to the potential violations. Polynt Composites may elect to be represented by legal counsel at this meeting and should be prepared to present relevant information and documentation pertaining to the EPA's observed potential violations.

The EPA may determine that a formal enforcement action is appropriate and may assess civil penalties pursuant to Section 3008(a) of RCRA, 42 U.S.C. § 6928(a). Therefore, Polynt Composites USA, Inc. has the opportunity to present factors and documentation that could mitigate any penalties that may be assessed against the facility, including information on Polynt Composites USA, Inc. ability to pay a penalty. Prior to the meeting, Polynt Composites USA, Inc. may review the following documents:

- **RCRA Civil Penalty Policy** found at: <https://www.epa.gov/sites/default/files/2020-05/documents/june2003rcracivilpenaltypolicyamended050620.pdf>
- **Amendments to EPA's Civil Penalty Policies to Account for Inflation:** https://www.epa.gov/system/files/documents/2022-01/2022amendmentstopenaltypoliciesforinflation_0.pdf, and
- **Inflation Adjustments** found at: <https://www.govinfo.gov/content/pkg/FR-2022-01-12/pdf/2022-00349.pdf>

Please be advised that any information provided by Polynt Composites USA, Inc. at the meeting may be used by the EPA in any civil or criminal proceedings related to this or other matters. Any false, fictitious, or fraudulent material omissions, statements or representations may subject Polynt Composites USA, Inc. to criminal penalties under Section 3008(d)(3) of RCRA, 42 U.S.C. § 6928(d)(3).

If Polynt Composites USA, Inc. chooses to accept this offer to meet with the EPA, the facility should contact Brooke York **within fourteen (14) days** following receipt of this letter to schedule a conference call. Brooke York can be reached at (404) 562-8025 or by email at york.brooke@epa.gov. If you decide not to accept this offer to meet to discuss the observed potential violations, the EPA may proceed with enforcement action against Polynt Composites USA, Inc. as authorized under Section 3008(a) of RCRA, 42 U.S.C. § 6928(a), including the assessment of appropriate civil penalties and injunctive relief.

If Polynt Composites USA, Inc. is a Small Business or a Small Community, you can find compliance and enforcement resources specifically designed to meet your needs at: <http://www2.epa.gov/enforcement/small-businesses-and-enforcement>. In that webpage you can find information about the Small Business Regulatory Enforcement Fairness Act that accords some rights to small businesses and is aimed at providing assistance to small businesses and other small entities, making tools available for better understanding of the regulatory and enforcement processes, and seeing that there is no unfair treatment relating to the regulatory enforcement process.

Please feel free to contact Brooke York if you have any technical questions regarding the observations and findings from the inspection performed at Polynt Composites USA, Inc. facility.

Sincerely,

KIMBERLY
