EPA NOTIONAL AGENDA FOR ITALY w pope (008).docx

Leonard,

I wanted to share with you the latest draft of our agenda for Italy, which was prepared by our international office. You can see that they have already set up a meeting with Turksen, and they are looking at a Mass with the Pope on Thursday. When you are available, I would love to walk through the schedule and add in anything that you have confirmed. Thank you, Leonard!

Samantha
